

Subject: An invitation to champion Data Day 2027

Dear [Name],

MORPC and the Regional Data Roundtable are planning the fifth annual Data Day. This year we're inviting a small group to serve as Data Day Champions: people who lend their expertise and connections at a few key moments in the planning process. Given your [past session on X / leadership in Y / work on Z], we'd be grateful for your help and support. The commitment is small and entirely up to you. Choose from a handful of time-bound opportunities between now and February. Champions help:

- Connect us with potential keynote and session speakers (early fall)
- Promote the Call for Session Proposals across their networks (late September–October)
- Introduce us to organizations that might sponsor Data Day (fall)
- Encourage registration around the region (winter)
- Take on a day-of role at the event (February)

For more on each, see the attached Ways to Help.

Could I set up a brief call in the coming weeks to walk you through it? Or if you already know you're in, just reply, or sign up here: <https://forms.cloud.microsoft/r/7cFXhbQeMc>. For more about the Data Day Champions program, see the attached FAQ or email jinskeep@morpc.org.

If a keynote speaker comes to mind in the meantime, you can suggest one anytime (no sign-up required) at our Suggest a Keynote form: <https://forms.cloud.microsoft/r/mYmz1bctPH>.

We'd be honored to have your help in this milestone year.

Sincerely, [Your Name] [Title], Mid-Ohio Regional Planning Commission
